## **GREAT RESTAURANTS ON THE SOUTH SHORE**

**DUFFY'S ALE HOUSE** is a down to earth, family friendly sports pub that doesn't just specialize in their locally renown wings, but offers one of the BEST and most impressive food menus in Suffolk County. Their motto isn't "it's all about the food!" for nothing!

Their menu has an extremely unique blend of foods ranging from hearty appetizers to decadent pasta and steak entrees. Secondly, the options seem endless, and one meal looks better than the next. Duffy's Ale House boasts a completely exclusive ingredient list because the owner creates all his own menu items. Duffy's is a "go-to" place if you're heading out for a meal. It caters to everyone: you can watch the game with the guys, meet up with friends for Happy Hour, or take the family to dinner.

Having been in their Lindenhurst location now for 3+ years, Duffy's has a pretty big fan base and has been able to pinpoint a few customer favorites from their menu. As far as entrees go, Pasta Primavera, although seemingly a simple Italian dish, has customers traveling great lengths to get Duffy's spin on this veggie filled pasta platter.

Mom's Meatloaf and Shepherd's Pie are another two dishes with rave reviews. Coming in for a quick lunch? The Woody and The Bulldog Burger are local favorites. You can also choose from their sandwich platters, wraps, sliders, baskets, salads and homemade soup & chili menus. They even offer a gluten-free menu including a couple of gluten free beer options at the bar. When we say that Duffy's offers only the freshest foods and ingredients, we mean that the corned beef on the Super Reuben is imported from Ireland, fresh!

All steaks are butchered in-house and ribs are imported from a farm in Pennsylvania. Want more where that came from? All french fries and baskets of chips are homemade, including your nachos! Chicken cutlets and items from the kids menu like chicken tenders are freshly breaded and fried right there. Chili, soup, dips, even their 20+ wing sauces are made in-house.

Gene, owner of Duffy's Ale House, fuels his business with nothing but passion for food and local community. He is deeply involved in the Hurricane Sandy relief and gives back to the community, as many of Wellwood Avenue's businesses supply products for Duffy's each week. Also, locally hired bands and artists every Friday & Saturday night keep this place busy and customers happy! That is something that has kept this restaurant running so successfully: the attention to customer detail and making sure everyone leaves with a full belly, a smile on their face and a promise to be back soon.

Looking to have a party catered? Duffy's has many options to choose from whether it's their private "Breslau Manor Room", which can accommodate up to 100 people, or off premises catering, Duffy's is the one to call. For specialty parties, Duffy's can also be hired for clambakes, BBQs, birthday parties and more. Call and ask for Gene for more details, custom made to order dishes and pricing.
